

We envision young people leading lives of dignity and opportunity, regardless of their criminal charges or history of incarceration, citizenship status, level of education, mental health, or housing situation.

Contributions will ensure Youth Represent continues our work so that young people affected by the criminal legal system are afforded every opportunity to live lives of dignity, self-fulfillment, and engagement in their communities. With your support, we can level the playing field for young people who are being illegally and unfairly discriminated against as they pursue employment, housing, education, and stable family lives.
